Thank you for applying to be a vendor at CannaFest 2017. Your participation will contribute greatly to the overall success of CannaFest! We are excited to present a three-day festival this year so you'll get one extra day to sell, sell, sell!

We've been working through the set-up details you'll need to know, to make your CannaFest 2017 experience as trouble-free as possible. We learned a few things in 2016 and for those of you returning, thank you for being patient with CannaFest Management as well as the Grand Forks Police and Fire Departments and the City Engineering Departments who are there to help us to ensure that everyone enjoys a positive and safe festival.

SET UP DATES AND TIMES

WEDNESDAY, AUGUST 9TH 12:00 PM – There will be security on site overnight however, please do not leave any personal valuables unattended. Be sure to bring appropriate covers for your tables (blankets, sheets, etc.), if needed. For everyone's safety, the stadium lights will be on overnight Thursday, Friday and Saturday.

TEAR DOWN

You're welcome to tear down after the event is over Saturday night or any time Sunday morning as long as you have completely cleared the grounds by 12noon on Sunday, August 13th, 2017. Please bring OUT everything you brought IN. There will be trash bins provided on site for your use and convenience.

HOURS OF OPERATION

We would like the merchant area to be available to festival-goers from 4pm Thursday, August 10th and 2pm until 10pm on Friday, August 11th and Saturday, August 12th. If you would like to close after the sun goes down each evening and enjoy the show, you're welcome to do so.

PARKING

Although you will be able to unload on-site, there is **no on-site parking available**. You are responsible for parking your vehicle(s) legally in the James Donaldson Park neighbourhood in designated CannaFest parking areas. Please do not ask us to park or leave your vehicle on site. It simply can't happen for many reasons, especially safety. Thank you for your cooperation.

CAMPING

RV and/or Tenting sites are available for purchase at CannaFest.ca and are located in the well-marked fields, across Hwy 3, North of James Donaldson Park. As the space is limited, you are encouraged to book your site as soon as your application has been approved.

Once you have completed the application, please send it to the CannaFest office for approval. **Please DO NOT SEND PAYMENT** with your application. Your vendor space is just that – space. Everything you will need must be brought in by you. From table(s) to tents/umbrellas, chair(s) and all of your product(s).

Vendor spaces will be mapped out based, primarily, on the best overall flow for the event as well as safety consideration(s). There WILL be changes for 2017. We will do our best to accommodate special requests however, please keep in mind that some decisions are beyond our control. There will be NO fencing available to hang things from (banners, etc).

Due to the park's irrigation system, ABSOLUTELY NO SPIKES/TENT PEGS OF ANY KIND CAN BE DRIVEN INTO THE FIELD OR GROUNDS. All tents must be weighted down with blocks, sand or water bags ONLY. This is a non-negotiable term of your application and your initial here in the space provided, confirms you acknowledge this. Initial: _____
